

## Supporting the local community

While continuing to accomplish its basic mission of providing a reliable electric power service, the OEPC Group has been engaged in a wide range of operations by making use of its management resources, including facilities, technologies and human resources, with the Okinawa Electric Power Company at the core.

The OEPC Group intends to continue utilizing its comprehensive strengths for the economic development of Okinawa so as to retain the support and trust of the community.

## Group companies serve as invaluable partners in our provision of a reliable power service

Employees of Okinawa Denki Kogyo Co., Ltd. check power meters.

The basic mission of the OEPC Group is to provide a reliable electric power service while leveraging the facilities, technological expertise, and human resources possessed by the Group's member companies to expand its operations over a wide range of business fields.

The OEPC Group intends to continue employing its comprehensive strengths for the economic development of Okinawa, so as to maintain its position, supported and trusted by the community.

Staff from Okinawa Plant Kogyo Company, Limited disassemble a turbine at Makiminato Thermal Power Plant for a regular inspection.

Okidenko Company Incorporated installed the exterior lighting for the National Theater Okinawa.

# An Outline of the OEPC Group
